

SFB 2023

SWISS-FRENCH BIOMATERIALS YOUNG RESEARCHERS' SUMMER SCHOOL

15-16.06.23

@SSB_RM

@BIOMAT3

📍 ZÜRICH, ETH

Preliminary program:

- Learn new knowledge & skills: 2 plenary lectures by academic researchers, workshops & round tables on soft skills, career path and academic-industrial partnerships
- Present & discuss your work: get the opportunity to present your work with a poster session
- Connect with the people from your field: social event on the first night!
